Governing Council Report

2024 has been another successful year for Flinders Park Primary School. On behalf of the school's Governing Council, I am proud to say that our school community has worked well together to meet the many challenges and opportunities we have been presented with throughout the year. We started the year off with the desire to change our school logo to encompass the diversity and values of our evolving school community. Our community has really come together with creative meaningful ideas and perspective of what our new logo should look like and what it would represent for years to come. We are proud to say that with many months of collaboration and consultations, we have changed the logo display our school's purpose and value.

Our teachers and school support staff continue to go above and beyond, supporting our students with quality learning, involving them in the extracurricular activities that make them well-rounded citizens with fun experiences that kept young minds engaged.

As a Governing Council we extend our thanks to all our teachers, SSOs, finance staff, our librarians, our tech person, grounds person and volunteers for supporting our children and their learning.

To our school leadership team, we thank you for the many hours you dedicate to our school every day. Your dedication to the school and our community does not go unnoticed.

As Governing Council chair, I would like to thank my fellow council members for their contributions to school governance. It has been a pleasure serving alongside each one of you. We are quite lucky to have active volunteers on our council. We could always do with a few more hands to build on our successes and lighten the load, so please consider all the opportunities and ways you can help in 2024.

Performance Summary

NAPLAN Proficiency

In 2023 the Australian Curriculum, Assessment and Reporting Authority (ACARA) - a Commonwealth Independent statutory authority - announced changes to NAPLAN performance reporting. The new approach replaces the previous numerical NAPLAN bands and the national minimum standard.

Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
