

FLINDERS PARK PRIMARY SCHOOL NEWSLETTER

Striving for excellence together

Term 1, Week 8 2024

ROOM 7 NEWS

Foundation and Year 1 students along with Ms. Nat and Ms. Hannah have started the school year with purpose and enthusiasm. We have set aside time for relationship and team building. A new school year is always full of action. Room 7 Foundation students are taking school transition in their stride – it's a big change for little people. Our Year Ones are rising to new challenges. We know that students are engaged in learning if they feel comfortable, so we have all created a great learning space to call our own.

In room 7, we ask students 2 questions – ‘What do you need this year to be successful and feel safe?’ ‘What can you offer to help your classmates to feel successful and safe?’ Our students’ thoughtful responses then guide our learning and interactions in the classroom. Our fun challenge in recent weeks has been to learn the numbers 1-10 in Kurna language. We practice them every day. It's tricky but our class mantra helps us.....’I can if I try’.

Harmony Day
Wear orange or cultural dress on
Thursday 21st March

Learning Conversations

Information about booking in for our upcoming learning conversations was shared with families on Monday via seesaw.

Learning conversations are an opportunity to families to come together with the class teacher to discuss the progress, celebrate success and plan for ways to support areas that need developing. Teachers will be following up with families if you have not booked a time as we are aiming for 100% attendance. Class teachers also have a friendly competition going to see who can get 100% attendance from families. To book a discussion time either follow the link or scan the QR code. We look forward to seeing you all.
