DEAR COMMUNITY,

Room 3 News

This term, Room 3 students have been busy exploring their creativity and problem-solving skills in Design and Technology.

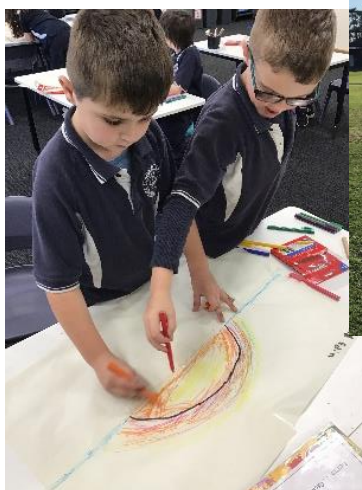

As part of their learning, students created animal dioramas, combining research, design, and construction. They began by choosing an animal and investigating key facts, including its habitat, diet and physical features. Using their findings,

they planned and sketched a suitable environment, labelling the materials needed. Once their dioramas were constructed, students proudly presented their creations to the class.

In another exciting project, students designed and built their own kites. After assembling their designs, students took them outside to fly them. After students had tested their kites, they were able to make adjustments to improve them.

News from Principal Zoe

Dear Families

It is with a heavy heart that I share with you all that from term 3, I will be heading off to Blakeview Primary School as the Principal. It is a short term placement, just for 2 terms.

The only reason why this is possible is because there is an outstanding leadership team in place. Cassie McCaffrey will be the Principal in my absence.

We are currently working through some staffing to ensure that interruptions to student learning does not happen. We hope to make some announcements regarding the Deputy position next week, along with any other changes.

We are so very lucky to have amazing staff here at FPPS along with a beautiful community. I will miss everyone terribly and will be taking every opportunity to pop in and say hello. Two terms isn't long and there are lots of events planned, so stay tuned!

NEW UNIFORM UPDATE

Uniform Update

We have been in constant contact with our suppliers and things are looking good. We hope to have uniform items arriving in the holidays.

We are super excited for the arrival of our new uniform items. Because we have a new logo, we have been able to match the polos with the rest of the items much better. We are just as impatient as the rest of the community but we think the wait is almost over. Thank you for your patience. We really do appreciate it

School
Reports

Reports will be coming home with students on Wednesday 2nd July. We have a brand new look this year, one that we are still trying to get our brains around. Please reach out to class teachers with any questions.

Vac Care Program

Have you booked yet? These holidays we have a fabulous program out with incursions and excursions planned. Make sure you book in to avoid missing out!

Rebecca, our Director, has planned an awesome holiday program and she is finalizing numbers, so book in now. Please ensure that your account is not overdue so that you can book in. Our small service relies on regular payments. Thank you for your support

Winter Colds & Flu's

This week, we have had record numbers of staff and students home sick. Thank you to those that have stayed home to help stop the spread.

We have also had to send a lot of sick students home. We do ask that if your child is unwell, that they do remain at home to rest and recover. Covid 19 is still a thing. Please remember to test so that we can keep our vulnerable students and staff well.

Car Park Safety

We are having so many near misses in our car park and we need your help! The carpark off of Holbrooks Road is not for school drop off or pick up.

There are many families, especially from the JP unit that are using the car park as a drop off and pick up area. The car park is only to be used by staff and room 1 and 12 families. It is so busy that it is unsafe and people that need it cannot. Please help us to keep everyone safe.
